## Welcome Statement

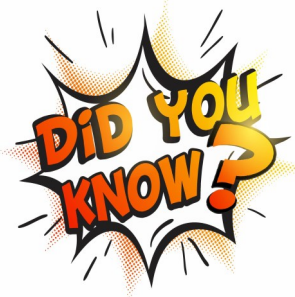

The Student Financial Aid office staff welcomes you into the 2021-22 Academic Year! Although this past school year may have been filled with unique challenges and changes, the financial aid office will continue to provide students with exceptional levels of service and commitment by keeping you up to date on debt management, repayment options, financial literacy, and scholarship information. You may contact our office with any concerns and even set up a [virtual appointment](#) for timely one on one assistance. Best wishes and good luck on a successful school year!

## Satisfactory Academic Process (SAP)

Maintaining Satisfactory Academic Progress is required for continued receipt of financial aid. Take a quick glance at our SAP policy.
